

Taps and rosettes

13.1

Fittings for the heating and water installation

Safety coupling

Tube safeguarding for 1/2" pipe valve with 3/4" thread for washing machines and automatic dishwasher connection. The installation instructions are enclosed in the packing.

Note:

After a certain time the function can be reduced or limited by lime deposits.

Therefore we recommend you to clean the waterstop sometimes with acid or similar cleaning agents depending on the hardness of water.
