## NOHA GENERAL PURPOSE HOSE REEL FOR WALL-MOUNTING

A general purpose hose reel is made for daily use, and has a handle to simplify rewinding. The nozzle can be supplied with a claw coupling to facilitate detachment when the hose is used for other purposes.

For general cleaning and maintenance activities at industrial plants, parks and sports arenas. Has to be ordered with the red colour option to be approved as a fire hose reel.

### NOHA MODEL 100 IS SUPPLIED WITH:

- Hose reel with side discs powder coated RAL 6024 green gloss 70
- 1" manual stop valve
- NOHA quick-change coupling system on reel outlet
- NOHA jet/spray/shut-off nozzle. Spindle made of brass
- NOHA special black hose, designed to standard EN694 for fire hose reels
- Wall-mounting bracket
- Roller hose guide allowing the hose to be run out in any direction
- Heavy duty centre parts made of brass
- Adjustable brake
- Clockwise rotation
- NOHA installation instructions
